The overall ambience at Clifftop was an utter delight with so many lights to capture the mood I was in at different times of the day. I was also blown away by the massage chair, window seat and books, and views at sunset. Will be back and recommend Clifftop to others too!

Every last detail has been thought of and executed beautifully throughout the house. This place made us feel relaxed as soon as we walked through the door. So much so – we preferred to eat in.
